

Week 20: Friday 12th February

We would like to thank you for your brilliant efforts at supporting remote learning this half term! What an achievement during a particularly challenging start to 2021.

We are sure you join us in saying a huge 'Thank you!' to our teachers, support staff, pastoral support and the office team who have worked tirelessly to support pupils, parents, carers and the wider community. What a team!

Finally, we recognise the fantastic efforts of the children who have engaged with the learning superbly. Across the school, we have experts on dinosaurs, 1066 and the Tudors; writers who have written diary entries, speeches, letters, reports and fact files to be proud of; mathematicians who have excelled with measuring, fractions and algebra; budding artists, inquisitive scientists, enthusiastic sportspeople, the list goes on...

We would like to wish everyone a well-deserved rest over the half term break.

Thank You for Keeping in Touch

As part of our role in keeping children safe, **we must see or hear from the children weekly**. Please ensure your child 'attends' the class Zoom each week.

If your child is not on the class Zoom **their teacher will contact you to speak to your child**. It is important that your child is seen or heard each week, so please do answer the calls, which are often from a withheld number.

Key Worker Provision

We remain here to support key workers wherever needed but in line with Government guidance, **we ask that you support your children at home wherever it is safely possible to do**. Thank you.

Breakfast Club/After School Care Sessions

To book breakfast club and after school sessions, please email wraparoundcare@pennoweth.cornwall.sch.uk

Drop Off, Collection, Social Distancing and Face Coverings

If your child has been offered a place in school, we would like to remind you that we will be maintaining the one-way system around school as this allows for social distancing.

Classroom doors will now open from **8:40am** and close at 8:50am.

The school day now ends at **3:10pm**.

A Message from Cornwall Council:

The number of infections is reducing in Cornwall because we have seen our residents respecting the social restrictions in place during the third lockdown. Thanks to this, we have slowed the spread of the virus through our communities, and for that we are thankful.

However, as the surge in cases in late December and January showed, if Cornwall lets our guard down infection rates can spiral quickly, and we could soon find ourselves back where we started.

Therefore, we are asking all residents, especially parents and carers to continue to respect the lockdown rules, especially during half term. We know this is a challenge, especially for those parents and carers who are home schooling and we understand the temptation to relax while the pressure of teaching is not there for a week.

However, we have done so well since January and we simply can't afford to throw all of that hard work away. We are asking those who are on a half term break to avoid travelling distances in the car and "explore from your door" instead.
