**CORE KNOWLEDGE: CHRISTIANITY**

**What do we want our pupils to know?**

The teaching of Christianity is divided into eight core concepts which make up the 'big story' of The Christian Bible (God, Creation, Fall, People of God, Incarnation, Gospel, Salvation, Kingdom of God). The core concepts fit into a spiral curriculum, whereby concepts are revisited and explored in more depth as pupils move through the school. These are explored through key questions and so are not applied exclusively — links and connections will be made between concepts during units.

This diagram shows how the concepts are revisited, with further learning growing from the roots of the foundational knowledge in Early Years, KS1 and above.
