

Pennoweth News

Week ending Friday 26th June 2020

Contact us at help@pennoweth.cornwall.sch.uk

We hope that you have all had a great week this week and managed to enjoy some of the lovely weather (while it lasted!) It has been another busy week in school as we have opened our final hub bubble and welcomed some more children back.

As we know you will be aware, the recent government announcements suggest that we will be opening to all children in September. It will be truly wonderful to get everyone back into school although we recognise that it will feel very different as we navigate all the guidance to ensure that we are safeguarding everyone. We will share more information as soon as we are able to. Please do get in touch via the help@ email if you have any questions or if we can help in any way.

Being Brave		Jack (1SH) for not getting upset when a friend accidentally sat on his land art. Bea (3NS) for being brave and overcoming her fear of coming back to school. Riley (3NS) and Dylan (34RT) for being brave after losing their pet fish. Ruby (2) for coming into a new bubble when feeling scared. Maisy (2) for starting a new school in difficult circumstances and making friends and joining in with everything. Lucia (2) for entering her new bubble with a huge smile on her face!

Safeguarding

Please remember to get in touch with us once a week so that we know you are all ok. The easiest way to do this is by emailing in. You can email the key stage addresses (these are given on the front of the website or use the help@pennoweth.cornwall.sch.uk address—this is monitored every day).

Class lists and Transition

As you are hopefully aware, the class lists for September have now been released and individual emails are being sent out to you letting you know your child's new class / teacher. Thank you so much for your patience at this time. We are incredibly aware that ideally everyone would have found out about their new classes at exactly the same time (in the way that children do when we are in school) but the logistics of sending out over 300 individual emails has been a little challenging. Everyone should have definitely received an email informing them of their child's new class by the end of Monday. If you have not heard from us by this time, please do get in touch via the help email (help@pennoweth.cornwall.sch.uk) and we will ensure that we contact you as soon as possible to confirm your child's new class.

We have been made aware by a few parents that they are concerned as to why their child has been placed in a mixed year group class. Please be assured that this is not a reflection on their ability or the expectations for their achievement throughout the year. We have worked as a team to ensure that all classes (including those that are mixed year groups) have a complete mix of all abilities and are blended to ensure a good balance of friendships and opportunities for new experiences. We recognise that this may be different from previous years.

Blogs

We have now removed the class blog pages for this year. The blogs were utilised incredibly well when we first started in lock down but have been replaced now by the phase blogs that are being used for home learning. The phase blogs will continue to be the place that we will post home learning for the rest of the year.

From Monday 20th July, we will open the new class blogs (for classes that are open from September 2020). The blogs will include information on children's new classrooms and what they can expect when they return to school.

Happy birthday this week to:

Piran (Y2, Maddie (4) and Archie (Y5)

We hope you have a wonderful day!

Please don't forget that if we can help in any way, you can contact us through help@pennoweth.cornwall.sch.uk Take care and we look forward to seeing you when it is safe
