Week ending Friday 17th July

We hope that you are all doing well and beginning to be able to look forward to the holiday. As we rapidly head towards the end of term, it is a very different time. We know that we would usually be busily celebrating everything the end of the summer term brings, sports days, performances and saying goodbye to our wonderful year 6 children and sending them on their way to secondary. We have thought long and hard about whether we should invite the year 6 children in at the moment for a farewell celebration but believe that it is safer to wait until the Autumn term. Year 6 leaver hoodies are now available for collection and we commit to holding a presentation evening in the Autumn term when we will invite everyone back to join us.

This is our last 'full' newsletter of the year but we will write again mid next week to say goodbye for the summer.

## Safeguarding

Please remember to get in touch with us next week so that we know you are all ok. The easiest way to do this is by emailing in. You can email the key stage addresses (these are given on the front of the website or use the [help@pennoweth.cornwall.sch.uk](mailto:help@pennoweth.cornwall.sch.uk) address—this is monitored every day).

## Wrap around care

We have had a few enquiries with regard to the fact that we are not offering wrap around care for children from the start of the September term. This is a Trust wide decision and one that has been taken due to the fact that it would be incredibly difficult to offer this care without breaking the bubbles that children are within.

We absolutely recognise that this will create added difficulty for some families as we return to school and sincerely apologise for this. The flexible window for drop off and pick up will hopefully help a little at the start of term. The Trust as a whole has committed to reviewing whether wrap around care can be provided within the first three weeks of the autumn term. We will let you know as soon as this review has been undertaken.
