**Prepare children for weather conditions they will meet each day**

Please ensure that your child has a warm winter coat, a hat, a scarf, and gloves in colder weather and a lighter waterproof coat and sun hat for the summer. Please also ensure that they are provided with sun cream during periods of hot weather and especially during summer months (approximately May onwards).

**With the exception of watches, jewellery should NOT be worn in school.**

For safety reasons, it is important that rings, earrings, studs and necklaces etc., are **NOT** worn in school. **Parental support in this matter is essential.**

In very exceptional circumstances (e.g. newly pierced ears, infection or similar short term medical condition) the ear lobe may be taped temporarily (4 to 6 weeks) with micro-porous tape if it is necessary to retain the stud in place for medical reasons.

In the minority of cases, a degree of management discretion will need to be exercised by the class teacher by way of a suitable solution. This may necessitate temporary exclusion from an activity if, on the basis of the assessed risks, the class teacher feels that such action is warranted. This will be supported by the Headteacher and the Governing Body.
