REMOTE LEARNING SURVEY

Dear Parents/ Carers,

As a school, we are finalising our plans for how we will deliver remote learning should we go into another lockdown (either national or localised) or if your child has to self-isolate and is not able to attend school.

Following feedback from parents after the first lockdown, our aim is to deliver a more structured approach to learning with new tasks set in a range of subjects each day and most work being marked by teachers.

In order for us to achieve this, the system we have chosen to use requires children to have access to the internet and a device which they can work on.

In order for us to gauge how accessible our approach is for each of our families and ascertain whether we need to make any adaptations, please complete the short survey below and return it to the school office by **Tuesday 29th September**.

Yours sincerely,

Claire Flatman
Executive Headteacher
