

HOW TO Make a mummy!

You will need:

- (old) doll
- Scissors
- a cup of flour
- 4 cups of water
- 1 cup of glue
- a bowl
- Spoon
- strips of paper
- a tea spoon of coffee (mix with a little bit of water)

1. First you will need to find an old doll. Then you will need to get your scissors and carefully cut the doll's hair.
2. The next step is to get your bowl and pour 1 cup of flour, 1 cup of glue and 4 cups of water into it and gently stir all of the mixture together.
3. Next pick up a strip of the paper and slowly place it into your flour mixture then gently begin to wrap the paper around the doll.
4. Carry on wrapping the paper strips around the doll until it is completely covered.
5. Leave the doll to dry for 1 hour and then cover the doll with another layer of the paper strips.
6. You will need to let your doll dry overnight.

7. The next day you will need to mix 1 teaspoon of coffee with 4 teaspoons of water in a cup.

8. Then lastly paint the coffee mixture onto your mummified doll until it is completely covered. Then leave to dry.
