

14<sup>th</sup> December 2020

Dear Parents and Carers,

We would like to thank all of our families, children and staff for working so positively together this year. We have appreciated all the co-operation and support that helped children return to school safely in September. We are pleased that a successful Autumn Term has been completed.

The past year has not been an easy one- but I am very proud of the way our schools have kept going and provided the best education we can for our children. We would like to thank all of our staff for their hard work this year. We also really appreciate the way parents/ carers have adhered to guidance as it changes and worked with us so supportively.

Let us hope that as the Coronavirus will be brought under control with the new vaccines that 2021 will be a brighter and positive year for everyone. We are delighted that ASST continues to grow and we will be welcoming Hardwick Primary to the Trust in April 2021.

May I please take this opportunity to wish you and your families a very Happy Christmas and New Year.

Stay safe and well,

Melanie Barrow  
CEO
