Dear Parents

LOWICK C OF E FIRST SCHOOL GOVERNING BODY

Two vacancies have arisen on the Governing Body for the appointment of Parent Governors. Parent Governors must be elected by the parents of pupils at the school and should themselves have children at a Northumberland County Council school. The normal period of office is four years. A Parent Governor is not obliged to resign from office if his/her child leaves the school and may remain on the Governing Body until his/her period of office expires. **All** parents are eligible for election and one parent could be nominated by his/her partner.

I am happy to advise any parent who is interested in the possibility of standing for election, on the style and work of the Governing Body.

Please can you provide a brief election address with your nomination form. If more nominations are received than are required to fill the vacancies, prospective candidates' election addresses will be circulated with the ballot papers.

Any parent who wishes to stand for election should return their election address and the nomination form attached, duly completed, no later than 21st December 2018 so that voting can take place in January. Please note that only one voting slip is to be returned per family and the Proposer and Seconder must be parents of children on the school roll.

Kind Regards

Rebecca Simpson
