12th January 2018

Welcome back after the Christmas and New Year break. The children have settled back in to school life very well after their holiday.

This year we are going to be taking part in "WOW", a Walk to School Challenge, starting as of now. This aims to encourage children to take part in regular exercise and to promote a healthier life-style. Children will receive a badge if they walk to school once a week for a month. We appreciate that some of the children have to travel to school by car so we have arranged that, those who this applies to, can park in the car park of the White Swan and your child can walk from there. This means that they do not miss out on being able to join in. We hope that all the children will take part in this challenge if possible.

John Daniels is coming along to give a talk after school on Wednesday about his conservation work with Gorillas. The children have thoroughly enjoyed Mr Daniels' visits when they have heard about his adventures. Please do come along and join us for this, if you are able. Football club will still take place or your child is welcome to listen to Mr Daniels' talk.

AFTER SCHOOL CLUBS
