11th May 2018

I am pleased to let you know that our forest school programme is going well and the children are responding brilliantly to the challenges that they are being set. However, please note that next week we are having a week off from forest schools to welcome a visitor into school on Tuesday afternoon. Kirtida Dasi is coming from the Hindu Temple in Newcastle to carry out workshops with our children about Hindu culture. We are seeking to widen our children's knowledge of the world by looking at the culture, art, buildings and stories from different faiths around the world. This is in addition to the curriculum plan we have already shared with you and links in through the art curriculum as well as wherever else it is appropriate, such as 'repeating patterns' for Class 1 and through 'exploring diversity' for Class 2. Please keep an eye on our website to see pictures from the visit.

Also, I would like to say congratulations to Mrs Strangeways for qualifying as a level 3 Beach Leader. Well done and we look forward to learning on the beach.

Rebecca Simpson

Chainbridge Honey Farm Visit

On Monday, the Nursery and Class 1 children will be visiting Chainbridge Honey Farm for the morning. They will leave Lowick School at 9.30am and travel by bus to the Honey Farm. They will be back in school by 12.30pm. Please remember to send your child with a packed lunch if you haven't ordered a Grab & Go for them. Please also make sure that your child has suitable clothing for the weather ie waterproof jacket/sunhat etc as required.

Starlet News

Amelie bought Ruby a rubber.

Well done Amelie!
