At Hadleigh Infants and Nursery School we have high expectations of all learners and provide them with a rich range of opportunities and experiences to ensure they achieve their full potential and develop a life long love of learning.

During our most recent Ofsted inspection (February 2020) inspectors commented that:

This is a school that is extremely popular with its pupils and parents. They love the family atmosphere, and pupils radiate enthusiasm for their work.

Pupils wear their uniforms with pride. They grow in confidence and develop a love of learning as they move through school.

School leaders have created an ambitious and carefully planned curriculum. Leaders want every pupil to enjoy learning, find their strengths and achieve highly.
