Weekly Newsletter

Friday 6th October 2017

This week at The Meadows...

Year 6 Assembly

A huge well done and thank you to Year 6 today who have impressed us with their learning in a fantastic assembly on the Victorians. As ever the confidence of our pupils presenting their learning was wonderful to see. Thank you to all the parents who joined us.

Colder Weather

Please could I ask all parents to ensure pupils are coming into school with suitable coats for the colder winter weather. These should be clearly named. The weather is very changeable and we do try to get the children out as often as they can.

New Garden Equipment

Further items and plants for our sensory garden have been donated by Wyevale Garden Centre, Beaconsfield. We are extremely grateful to all the team there for their generous support to our school. These items continue to develop our lovely outside space and sensory garden for the pupils to enjoy.

Year 2 and 6 SATS meeting

We are inviting Year 2 and 6 parents into school next Thursday 12th October at 3:15 to find out more about the end of year SATS tests. Please come and join us to find out what your children will be expected to do.

Attendance

Attendance letters will be coming out for those pupils whose attendance is currently below 95%.
