This week at The Meadows...

Mad Science Assembly

On Tuesday, Mad Science came into school and delivered an assembly all about different forces. The children got to learn about vacuums and push and pull forces. Mad Science are hoping to run a science club next term-please see the flier for details or ask in the school office.

Year 4 Assembly

Unfortunately we had to cancel the Y4 assembly this week. It has been rescheduled for the 8th December at 9am and we hope to see many of you then.

Football Team

On Tuesday, Mr Ediker took our new football team to their first football tournament. The children played against 5 other teams and came second in their group. Well done boys-we are really proud of you!

Jack and the Beanstalk Pantomime

Today the Panto came to visit! The children and staff really enjoyed watching Jack and the Beanstalk this afternoon. The characters were funny, the costumes were brilliant and it was a great experience to finish our week with. Thank you everyone for your donations. Without you, we wouldn't be able to provide such opportunities for the children. Payments can still be made to the school office next week.

Open Days

Over the last few weeks, we have had several open days to show prospective parents of Reception children for September 2018 around the school. I have shown up to 30 parents around the school and was so proud of the calm, purposeful environment and the hard working children.
