This week at The Meadows...

Remembrance Sunday

This week we have been selling Poppies to raise money for the Royal British Legion and to remember all of the service men and women killed in conflict. In assembly this week, the children have learnt about the Poppy appeal and held a minute silence. Poppies will continue to be on sale next week.

Parents Evening

It was nice to see so many parents at parents evening this week. If there are any parents who were unable to attend, please make another appointment to see your child's school teacher, via the school office.

Parking

It has come to our attention that a number of parents are parking inconsiderately on School Road and being uncooperative with other drivers. Please can I ask that parents always remain courteous and try to park further away from school and walk down School Road. Cars are not able to turn around in the school car park and there is not the space on School Road for multiple cars to park or turn around. It is also important that emergency vehicles are able to come down School Road at any time in the school day. Thank you for your cooperation.

Year 1 Assembly

Congratulations to our Year 1 class who performed an excellent assembly today all about Space. The children were really confident and it was wonderful to hear all about the things they have been learning!
