This week at The Meadows...

Year 4 assembly

Congratulations to Year 4 today for their fantastic assembly on poetry and bullying. It was wonderful to see the children confidently performing and acting. Next week it will be Year 3's turn!

Parents Evening

It was wonderful to see so many of you at parents evening last week. If there are any parents who were unable to attend parents evening and would still like an appointment please speak to your child's class teacher.

Year 1 visited the Natural History museum in Tring

Our Year 1 pupils had a brilliant day at the Natural History Museum in Tring this week. They got to see lots of different animals including polar bears and tigers. Albie said he liked looking at all the animals and they looked real. Poppy thought the best bit was looking at the giant snakes.

Year 5 Energize

Our fantastic Year 5 pupils have been working very hard on their singing and dancing routine for their Energize performance at The Swan in High Wycombe on the 15th and 17th March. Energize is a musical performance made up of local primary and secondary schools. The show is expected to be brilliant and tickets can be purchased at the Wycombe Swan box office, in person, online or by phone on 01494 512000.

World Book Day!

World Book Day took place on Thursday this week and was absolutely amazing. The children and staff looked fantastic and there were some brilliant reading activities going on across school. The children got to sign up to hear a story, without knowing which adult would be the story teller. There was a book swap activity, assembly and classes were paired up so the older children in the school could read with some of the younger children. Thank you to Mrs Andrews for organising such a great day!

Recruitment Update

We are already seeing the fantastic benefit of joining the Great Learners Trust in regards to recruitment and have already begun to look at a permanent teaching structure for September with the support of the Trust. This will make such a difference in the long term for our pupils.

Housepoints

Topaz	Ruby
