Friday 19th January 2018

This week at The Meadows...

Forest School

Year 1 and Year 4 started Forest School this week and had an absolutely brilliant time. Forest school offers all learners regular opportunities to achieve and develop confidence and self-esteem through hands on learning experiences in a woodland or natural setting. It also allows pupils to take risks in a safe setting. We are very lucky to have our own forest school site and our aim is to provide forest school to all classes throughout the year. This week, Year 1 and 4 learnt about the rules of forest school, got to climb trees, make mud paintings and play in the mud kitchen!

Wycombe Wanderers Tour

On Monday, some pupils from Y5 and Y6 visited Adams Park, the Wycombe Wanderers stadium, where they had a tour and learned facts about the local area. The children really enjoyed themselves and the school received an email from the organiser, praising the children for being so focused and motivated in the session! Well done!

New playground equipment!

This week the playground has been alive with colour! The new playground equipment, which was organised by school council, arrived on the playground and the children have enjoyed playing with bats and balls, skipping ropes, space hoppers and much, much more.

CAP Money

There is a CAP Money course running at Christchurch, Flackwell Heath on 22nd/29th January and 5th February. It is a free course designed to help and improve money management. If anyone is interested please visit www.capmoneycourse.org for more details or see the poster in the School lobby.

Wycombe High School's production of Beauty and the Beast

Performances take place in the Main Hall on 7th, 8th, 9th, 10th February and start at 7.30pm. If you are interested in attending a performance, you can buy tickets online at www.thelittleboxoffice.co.uk/whs
