This week at The Meadows...

Ofsted

This week an inspector has joined us in school to conduct a routine follow up monitoring visit. Thank you to all the parents who completed the short survey on Parent View and spoke with the inspector on Thursday morning. Your views are important to us as we continue on our journey. The report from the inspector will be sent out to you as soon as it becomes available.

Democracy in Action

The children had a great time voting this week for their Anti-Bullying Ambassadors, School Councillors and House Captains. Mrs Moore will be announcing the results of the vote during Monday's Values Assembly. Look out for pictures of the children voting on our Website.

Parking

Please can I remind all parents to be respectful of our neighbours on School Road and Mayfield Road at drop off and collection times. It is a very small road for the volume of traffic at these times and slow speeds and patience is required. Many thanks.

Attendance

It has been a busy first full week back at The Meadows and it has been lovely to see the children looking so smart and happy around school. Last week 6 out of our 7 classes achieved over 95% with two classes winning the star attendance certificate with 100%! A great achievement – thank you parents! We know it is not the easiest job getting the children up and here on time but it is definitely worth it!

Housepoints
