### This week at The Meadows...

#### House Dodgeball tournament

This week, Years 1-6 took part in a House dodgeball tournament. The children had a wonderful time and this was a great opportunity for everyone to work in their house teams and try to win as many house points as possible! The results are still being counted and we will let you know the winners next week.

#### Y6 Assembly

A big well done to our fantastic Y6 pupils for their assembly today on fossils. The children were confident and taught us a lot about the scientific evidence from fossil discoveries. They also sang beautifully and have set a very high standard for assemblies this term.

#### Prefects

This term we have new Y6 prefects who will be taking on a range of responsibilities across school. Prefects are expected to be excellent role models for the younger pupils in the school and pupils are only chosen if they are seen to show the school values regularly. Congratulations to Darcey, Jamie, Kearey, Mya, Ruby, Ryan, Tomas and Weronika, our new Y6 prefects.

#### ACADEMISATION NEWS

I am delighted to confirm that we will be joining the Great Learners Trust next week on the 1<sup>st</sup> February 2018. This is really exciting news for the school community and a fresh start for the school. The Trust are very ambitious for The Meadows School, very child focussed and share the same passion that we have to move the school to good and beyond. Please see a letter from Mrs Thomson, the Director of the Great Learners Trust, which will be coming home today.

#### Anti-bullying ambassadors

Our Anti-bullying ambassadors have organised and created worry boxes to go into each class across the school. This is to provide the children with another way to communicate any concerns they may have about friendships,
