This week at The Meadows...

Maternity Leave

Today is Mrs O'Leary's last day as she will be beginning her maternity leave next week. Mrs Moore will be increasing her hours and Mr Cotter and Mrs Andrews will be available if you require any assistance in the coming weeks.

Social Media

It has come to our attention that a number of parents are writing negative comments on social media about The Meadows School. If you are not happy about an issue in school it is important that you bring this to our attention so that we can deal with the problem appropriately. We have a complaints procedure which is on the website if you feel an issue is not being dealt with. If staff can be identified from the comments they are within their right to seek legal action. Posting negative comments does not help us to continue improving The Meadows for your children-we all want what is best for them. Please help us to make The Meadows the best school it can be by working with us.

Pet Day

The children had a lovely time this week bringing their pets into school. All the children and Pets were very well behaved! A big THANK YOU to all the parents that came along and joined in with us. Look out on the website for the pictures.

Smoking

The Meadows School is a No Smoking site. Please can I ask parents to be courteous and make sure they are not smoking on site or where pupils are entering and exiting the school grounds. Thank you.
