This week at The Meadows...

Year 5 Energize

Last night, Year 5 took part in their first performance of Energize at The Swan in High Wycombe. They were absolutely amazing! I was incredibly proud to watch them dance and sing so beautifully and for the soloists to act with such confidence and speak so clearly. To be part of such a large performing arts production, on a large stage, is a really valuable opportunity for our pupils and I am sure they will be fantastic on Saturday evening as well! A big thank you goes to Mrs Pugh for all her hard work and organisation, which has enabled the children to take part in Energize. If anyone is interested in tickets for the event, please speak to the box office at The Swan.

Year 3 assembly

A big well done to Year 3 for their fantastic assembly all about Ancient Egypt. The children shared a song, performed drama and read out some of their diary entries all about visiting Egypt!

Year 3 visit to the URE Museum of Greek Archaeology

Year 3 have had a busy week this week! On Thursday, they visited the URE Museum of Greek Archaeology, which was linked to their creative curriculum on Ancient Egypt. The children got to see artefacts and paintings and had an Anglo-Saxon workshop.

Toys and sweets

We have noticed recently that there has been an increase in the number of toys, sweets and chewing gum that has been coming into school with the children. Please could I remind parents and children that toys, sweets and gum are not allowed into school and will be confiscated by staff. Chewing gum can be a health and safety risk to the children if they are running around at playtime and, if it is not disposed of correctly, ruins flooring and furniture.
