### This week at The Meadows...

#### Year 5 Assembly

A huge well done and thank you to Year 5 today for their fantastic assembly on Forces. The children shared all the things they have been learning about in their topic and performed a brilliant song! Thank you to all the parents who joined us and *May the Force be with you!*

#### Children In Need

We had a visit from Pudsey bear this week and the children looked fantastic today dressed up in spotty clothing. Thank you for all your generous donations this week.

#### Perform Drama Workshops

Reception, Year 1 and 2 took part in a drama workshop this week. The children were taught a routine and got to act out different scenarios individually and as part of a group. Well done EY & KS1!

#### EXCITING NEWS...

We are very excited to announce that new interactive white boards will be fitted into classrooms next week. The new boards will help to support the teaching and learning in all classes and are a wonderful resource to further engage and excite pupils about the curriculum.

#### Anti Bullying Week

On Monday the KS2 anti bullying ambassadors delivered an assembly to the children about bullying and what to do if they are being bullied. The children also explained how important it is for us all to follow our school values and be kind and considerate to each other. The anti bullying ambassadors have an action plan that they are working from to make further improvements in school so that children always feel safe.
