

Ancient Greece Homelearning

Here are your home learning activity ideas for our Ancient Civilisations: Greece topic. Remember the activities below are simply 'ideas', if you think of something different to those that are listed, that's brilliant and your independence is applauded.

We look forward to your hard work being shared.

Make a Spartan helmet or design a shield.

Make an A-Z of Greece. Think about presenting your work in the best way possible. What could you do on the border? You could add an illustration to each or some of the letters along with small pictures linked to your sentences.

Make a travel brochure about Ancient Greece. Where would you travel to? Where would you stay? What could you do while you were there? Who would you recommend to visit? Use pictures with lots of facts and information.

Design your own Labyrinth. It could be made of straws, string or wood.

Visit a Greek restaurant. Take a camera and ask them if you can take pictures of the food, maybe even as they prepare it. Look at the menu. How is it different to traditional English food? Design your own Greece menu, write a report about your visit, take pictures and label them or make a poster.

Create a picture of an imaginary Greek God. Make sure your poster is eye-catching and full of facts and information. Try to think of a symbol for your God.

Turn a myth into a cartoon, for example, Theseus and the Minotaur. Use lots of speech bubbles.

Write a diary extract from the viewpoint of a family member in Sparta or in Ancient Greece. Try to write about your feelings about daily life.
