News - 23rd November 2018

The school value this half term is Compassion.

Dear Parents/Carers

Another busy week here at All Saints. The weather is becoming decidedly chillier. Thank you for ensuring that the children are dressed appropriately with coats, hats and gloves!

On Monday we had a very special visitor from the local authority who spent the day with us. She was really impressed with our children's behaviour here in school and in church. Together we looked at children's books and talked with the pupils about their learning. She will be returning at the end of term to look at the progress we have made. Next week we are expecting a visit from our 'Christian Distinctiveness Advisor' from the Diocese. She will be monitoring our teaching and learning of RE and how we promote our Christian Distinctiveness here in school.

Have a super weekend!

Dear God

Please help us to be compassionate to one another,

Help us to be generous, kind and loving,

Help us to be sensible and listen to one another.

Amen

A special thanks to George and Eoghan who wrote the following ...

On Monday morning we walked to the church. Reverend Delphine told a story about a king and two servants that link to our value of COMPASSION. PC Andy told us about his parking buddies. He gave us a little booklet and a sticker to put on our cars.

Dear All,

At the Monday morning Assembly we looked at forgiveness as part of our word "Compassion", and "King" Philip and his "servants" Harry F and Jenson showed off some great improvised acting skills as we told the story of the "Unforgiving Servant" (Matthew 18).

Monday mornings are giving my week a real boost!

Blessings

Rev Delphine

Parking Buddies!

This week has been road safety week. To encourage children to think about keeping safe by the roads, PCSO Andy Poxon came to our church service Monday morning to introduce our parking buddies to the children.

You may have noticed them outside school and down the lane. The buddies help to remind grown ups to slow down and park carefully to keep the children as safe as possible . They will be with us for a few weeks before they move on to another school. You will have also received some road safety information that was sent out to you on Monday, so please encourage your children to think and talk about road safety.

House Crest Design Competition

Many thanks to all of the wonderful entries we received for the house crest design competition; it was incredibly difficult to choose but a decision had to be made! Congratulations to the following children whose designs were selected and who have been presented with a prize in last weeks celebration assembly:

Sapphire: Logan

Ruby: Grace

Topaz: Lydia

Emerald: Dottie

Now the winning designs have been selected, we are looking for some grown-up, artistic volunteers to help transfer the winning designs on to 4 rather tired-looking, metal boards on the school playground! Please could anyone that is interested, in either being involved or donating materials for the project, please contact Mrs Mayhew via email to the school office.

"Lead vocalist of rock band 'Ryder's Creed' joins All Saints for a special assembly to mark the launch of Times Tables Rockstars"

All Saints would like to say a special thank you to 'Ryder's Creed' for letting us borrow their lead vocalist, Ryan, to mark a special day at All Saints! After all, what better way to mark the launch of 'Times Tables Rockstars' than with a real rockstar? On Friday 16th November, Ryan joined us for our weekly celebration assembly and gave the opportunity for the children to listen to some of his music. The children had the chance to ask all the questions they had always wanted to ask a rock star and thoughtful questions they were! The pupils were really inspired by our special guest and the response we have had to 'ttracks' as a result has been incredible! Thank you to all the parents and children for their positive feedback - keep rocking!

Parents Helping Parents in Staffordshire

Parents Helping Parents is a day-long workshop to start developing ideas and ways to help parents thrive and not just survive.

The day is about developing support for parents of a vulnerable child/young person living in South Staffordshire.

We warmly invite parents along to help develop/share ideas.

- We will learn from the Rollercoaster support group which is a support group for parents/carers who are supporting a child or young person with any kind of emotional or mental health problem
- Consider how we might develop something similar
- Please invite and bring parents that might be interested in developing parent peer support
