

Maths

This half term we will focus on place value, number and written methods for addition, subtraction, multiplication and division. We will be also begin our times table challenge.

Science

Our Science focus this half term is Biology. We will be looking at life cycles of plants and animals. We will be looking at how animals and plants adapt to their habitats and we will study food webs.

English

We will be reading "A Story Like the Wind" and using it to inspire our own creative writing. We will focus on creating imagery through the use of similes and metaphors and we will plan and write our own stories using the techniques we discover throughout the text.

This term we are learning about...

PE

This half term the children will be taking part in gymnastics and will need suitable indoor PE kit.

Term: Autumn 1 2018

Year:4 / 5

Class:4

RE

During RE this term we will be preparing for the Harvest Festival and starting our unit on Creation.

Creative Curriculum

This half term, Class 4 will begin their new topic: Native America. This will include finding out about both American continents and locating them on a map. We will learn who discovered Native America and why.

In Art we will focus on landscapes and in History we will research the everyday lives lived by the Native Americans.
