News - 25th October 2018

The school value this half term is **Generosity**, where we will be thinking of saying thank you to God and being generous with our time, love and patience.

*We hope you all have a fun half term break, don't forget we return to school on **Monday 5th November.***

Dear God

Please help us to be generous to one another and to stay safe in the half term.

Help us to remember to behave and to always worship God.

Amen

Website of the week

Instead of a website of the week, this half term why not take advantage of the great outdoors and see how many activities you can tick off on the National Trusts

“50 things to do before you’re 11 ¾ activity list”

Remembrance Day

To commemorate Remembrance Day, we will be holding a special assembly for the children on Friday 9th November at 11am.

As is normally the case, we propose to give the children a poppy to wear for the occasion.

Poppies will be given to the children on Friday morning and we would invite you to send in your donation for poppies any day next week.

Please do give your support to the poppy appeal.

Thank you

Thank You

Miss Glover & Miss Perkins would like to say a big thank you and well done to all of the Class 4 boys who represented our school in Monday's Football Tournament at Stafford Manor. Well done for all of your training and hard work and thank you to the parents who came to watch, help transport the children and show their support.

Drop-off of children

It has come to our attention that some children are being dropped off directly from cars in the middle of the road. Not only does this cause problems for drivers along Kenderdine Close and School Lane but is also dangerous for the children. Could parent/carers please make sure their child is arriving safely at school, thank you for your co-operation.

School Meal Menu

The new school meal menu is now available on Parentpay for you to order your child's meals for after 1/2 term. As always, please make sure you place your order before midnight on a Wednesday.

Class 1 & 2

Please could you ensure that your child has trainers and jogging bottoms in their PE kit now the weather is cooler, thank you.

PTA Summer Ball

Mental Health & Well Being

Today Mrs Patterson held an assembly to talk about 'Listening Ear' to the children.

The children learnt about taking care of themselves and their wellbeing. They thought about how to do this physically, mentally and emotionally. Mrs Patterson is looking for 'Mini Ears' for each class and any interested child can do a little poster with a picture of friendship and a reason why they would like to be a 'Mini Ear'. These are to be handed in after 1/2 term.

Parents Helping Parents in Staffordshire

Parents Helping Parents is a day-long workshop to start developing ideas and ways to help parents thrive and not just survive.

The day is about developing support for parents of a vulnerable child/young person living in South Staffordshire.

We warmly invite parents along to help develop/share ideas.

- We will learn from the Rollercoaster support group which is a support group for parents/carers who are supporting a child or young person with any kind of emotional or mental health problem
- Consider how we might develop something similar
- Please invite and bring parents that might be interested in developing parent peer support
