Welcome to the Spring Term!

With a 'spring' in our step we enter the next term of the 19/20 academic year. We are very excited about our learning this term, keep an eye out for our family workshops coming up and the topic grid homework celebrations!

This week our attendance has been great with Rec A&B and Gweek class getting 100% attendance and lots of classes being above 96%! Let this continue for the rest of this term..! Our children are given great learning opportunities at Penryn Primary Academy, children are more likely to succeed in school when they attend school consistently. Did you know if a pupil misses one day a week for their entire school career, they would lose the equivalent of two school years - the days add up fast. Let's be attendance hero's this year :

PSHE Curriculum

As part of KS2's PSHE curriculum, this half term there will be a couple of lessons which look at the use of drugs. This will involve looking at the risks of smoking, as well as Year 5 and 6 looking at the risks and talking about legal and illegal drug use. This learning is following our scheme of work and is linked to the National Curriculum. If you have any questions or concerns regarding these lessons, please speak to your class teacher.

Playzone Bookings

When booking your child a space in Playzone, please make the payment on ParentPay prior to contacting the school to book, your booking will not be confirmed until the payment has been made - thank you for your support with this.

Bookings cancelled after 10am on the day will still incur a charge as staffing levels have been adjusted by this time. If your child is on the regular list this runs for the whole school year, please ensure you inform us if you no longer require the space.

Census Day - Thursday 16th January 2020

On Thursday, 16th January 2020, is a National School Census Day. This is when the Department for Education (DfE) collects information about each school to help them plan for the future and, most importantly, the data is used to set future school budgets. One of the figures we have to report is the number of Reception and Years 1 & 2 children who are having a Universal Infant Free School Meal (UIFSM) on this day.

The census data is then used to decide how much funding for the year we get for our hot meals. This means that if your child does not have a meal on Thursday, we will not receive any further funding for the rest of the year. If your child chooses to have a meal on another day, we will have to fund this from our school budget

We do not receive funding for the amount of hot meals we supply, only the number of meals eaten on the two census days in October and January each year.

Our solution to this problem is to ask every child in Reception, Year 1 and Year 2 to try the hot meal on Census Day. Then your child will be fully funded to have hot meals during the year thus saving the school any additional costs.

Thank you for your support with this.

On Thursday 16th January the whole school will be enjoying Pasties for our lunch! There will be steak pasties and cheese and onion pasties available - delicious!

We are unable to adjust this on ParentPay without losing existing bookings - please book vegetarian/meat option on the existing menu and this will order vegetarian/meat pasty with the kitchen—sorry for any confusion caused.

Bag2School

Clearing out your cupboards... New years resolution to de-clutter? Bag2School collection will be on Wednesday 15th January 2020 - if you would like a bag to fill, please collect one from the KS1 office. Thank you for your ongoing fundraising support!

Thank you to Plumbase and Polypipe

We have been very lucky to receive a generous donation of footballs, cones, drinks bottles and bibs for our sporting teams and children! A massive thank you to Plumbase and Polypipe for this donation - lots of very happy children keen to get outside to practice!

Reception September 2020

Do you still need to apply for a primary school place for September 2020? If your child was born between 1 September 2015 and 31 August 2016, the deadline for applications is 15 January 2020 .

Year 3's first reading raffle winners of 2020! Who else enjoyed a good book over the Christmas holidays?

Let's start the new year off as we mean to go on - Let's get reading every evening! Reading really supports all aspects of your child's learning.

Well done to all of the children entered into the class reading raffles each week.
