

Penryn Primary Academy

Head of School: Mr J Hitchens

Head of School Welcome

Welcome to Penryn Primary Academy!

I am very proud to be the Head of Penryn Primary Academy, where I've been Head for the past five years. On behalf of our amazing pupils, our dedicated staff, parents, and hub councillors, I would like to welcome you to our school.

Our aim is to provide the best possible education for every child within our care. Through our child-centred curriculum, children are encouraged to be independent learners and achieve their full potential. We have high expectations of what can be achieved, and we believe that learning should be both stimulating and enjoyable. We pride ourselves on nurturing the whole child, supported by our broad and balanced curriculum, personified by our two on-site forest schools!

We have an incredibly dedicated staff and an active Hub council which ensures that every child feels safe and secure. Our priority is ensuring that our children are happy, which we feel is vital to enable a positive learning experience. We value every child's individuality and personality, encouraging each child to be themselves, celebrating their personalities.

We can only achieve our aims by working in partnership with you as parents. Your support is essential in your child's success at school, and we value your input and opinions. We consider ourselves at the 'heart of the community' and welcome many visitors from the local area into school to work with the children and enhance their learning.

I hope that you find this booklet useful and we look forward to welcoming you to our school.

James Hitchens
