Unwelcome visitors

We've been made aware of a number of cases of **head lice** throughout the school so why not use half term as the ideal opportunity to treat the whole family? It is advisable to wash bedlinen and hats too.

There are several treatments available in the supermarkets and online, passing on word-of-mouth advice, we would recommend Vosene shampoo with tea tree oil as a preventative measure, the Nitty Gritty comb for regular combing, and the Kit & Coco range of treatments for removing head lice and eggs.

Regular washing and combing with conditioner is also very effective at keeping the critters at bay.

Good to share

Our first class sharing assembly of the year was a big success when Year 3 presented to parents and the rest of the school everything they had learned about Ancient Egypt in their last topic.

Well done to Mrs Rowcliffe and the children of 3R!

Thanks to everyone who donated and bought home made cakes for the year 3 after school cake stall—we raised a magnificent **£75.00** which, after consulting the children, will go towards buying some new Lego for the class to use.

Have a safe, healthy and happy half term!

See you back in school on Monday 19th February
