Lateness

The school day starts at 8.50am and finishes at 3.30pm. Please can parents/carers bring children to school by 9.00am and collect children promptly at 3.30pm.

Should you arrive after 9.00am it is imperative you sign your child in to school at the reception desk as they will have missed obtaining their mark on the class register. We need a record of where they are for reasons of safety and safeguarding.

Please refrain from leaving them at door without signing them in.

Sunshine!

Now that the weather has warmed up, please can you ensure your child has a named hat to wear at break and lunch times and a named water bottle that they can refill during the day.

May we ask that long-lasting suncream is applied at home before school rather than children bringing suncream into school as it can get rather messy and a lot of time is spent applying cream rather than playing in the sunshine.

Thanks for your co-operation.

Congratulations to Miss

Compton and her partner on the exciting news that they are expecting a baby!

Huge thanks and well done to **FOWS** who have worked hard raising significant funds for school. Thank you parents for your support.
