New door entry system for January 2018

We are all getting used to the new door entry system which is working well so far. The external door is **automatically unlocked from 8.50am to 9.00am and again from 3.30pm to 3.40pm** to enable pupils to enter and exit the building easily. At all other times, the door is locked. The secure letter box is now located outside the main door (under the uniform noticeboard) so you can drop off reply slips, payments and notes without requiring access to the building. The secure post box is emptied daily by 9.30am.

Teachers

Our teachers are very busy first thing in the morning, setting up lessons and preparing for the day ahead.

If you need to speak to your child's teacher, please either write them a note and hand in to admin to pass on, or, make an appointment via the Admin desk.

Please do not come into school without an appointment.

School day

The school day starts at 8.50am and finishes at 3.30pm.

Please can parents/carers bring children to school by 9.00am and collect children promptly at 3.30pm. We've seen an increase of instances where children are arriving to school late and are being collected late.

Thank you.
