## New Admin Processes

We are in the process of introducing several new administrative processes which some parents have already begun to experience.

We are trialling a new system for making payments online for trips, and online booking of school meals is just around the corner.

In order to comply with new General Data Protection Regulations (GDPR) coming into force on 25th May 2018, we will be introducing a new online method for data collection and keeping contact details up to date.

Thank you to all parents who have been involved so far, and continue to be involved while we trial these new systems.

## PE Kits

May we remind you that PE kits for school PE lessons should consist:

White T-shirt

Black/navy shorts

Trainers/plimsolls

We are seeing an increasing number of multi-coloured and football kits being worn and these are not acceptable for school PE lessons.

Thank you for your support.
