

Introductory statement

Poplar Farm School is a Free School catering for Primary School pupils. Poplar Farm School is a member of the Community Inclusive Trust (C.I.T).

Admissions are completed by the Local Authority. The school has no particular religious affiliation.

Admission number(s)

The school has an admission number of 60.

The school opened in September 2018 for Reception age pupils only with places across the full range becoming available as this cohort progresses through the school.

The school will accordingly admit this number of pupils if there are sufficient applications. Where fewer applicants than the published admission number(s) for the relevant year group are received, the Academy Trust will offer places at the school to all those who have applied.

Application process

The Local Authority will handle applications as if the school were in coordination with the local authority process for co-ordinating school offers. This means parents will need to complete an LA common application form which will include other choices of schools.

Applications for this school should be sent to:

The School Admissions Team
Lincolnshire County Council
County Offices
Newland
Lincoln
LN1 1YL

[Mail to: schooladmissions@lincolnshire.gov.uk](mailto:schooladmissions@lincolnshire.gov.uk)

An application form can be obtained from The School Admissions Team, Lincolnshire

County Council <https://www.lincolnshire.gov.uk/school-admissions/apply-school-place>

The online application form is used by over 95% of parents and is available on the LCC website, alternatively a paper form can be obtained by calling 01522 782030.

Oversubscription criteria

The criteria in this section apply to entry at all phases of the school.

When the school is oversubscribed, after the admission of pupils with an Education, Health and Care Plan naming the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

1. Looked after children and children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order.
2. Priority will next be given to the siblings of pupils attending the school at the time the application is received. Where an older sibling is in Year 6 siblings will not be prioritised under this criterion.
3. Priority will next be given to proximity of a child's home to the school, with those living nearest being accorded the highest priority. Distance to be measured in a straight line from the post office address point of the home to the post office address point (main reception entrance) of the school.

Tie-break

If in categories 2-3 above a tie-break is necessary to determine which child is admitted, the child living closest to the school will be given priority for admission. Distance is measured from the child's home to the front gates of the school in a straight line. Random allocation undertaken by the Local Authority will be used as a tie-break in categories 2-3 above to decide who has highest priority for admission if the distance between a child's home and the academy/free school is equidistant in any two or more cases.

Random allocation will not be applied to multiple birth siblings (twins and triplets etc.) from the same family tied for the final place. We will admit them all, as permitted by the infant class size rules and exceed our PAN.

Late applications

All applications received by the LA after the deadline will be considered to be late applications. Late applications will be considered after those received on time. If, following consideration of all applicants the school is oversubscribed, parents may

request that their child is placed on the school's waiting list.

Deferred entry for infants

Parents offered a place in reception for their child have a right to defer the date their child is admitted, or to take the place up part-time, until the child reaches compulsory school age. Places cannot be deferred beyond the beginning of the final term of the school year for which the offer was made.

Children reach compulsory school age on the prescribed day following their 5th birthday (or on their fifth birthday if it falls on a prescribed day). The prescribed days are 31 August, 31 December and 31 March.

Admission of children outside their normal age group

Parents may request that their child is admitted outside their normal age group. To do so parents should include a request with their application, specifying why admission out of normal year group is being requested and the year group in which they wish their child to be allocated a place.

When such a request is made, the Academy Trust will decide on the basis of the circumstances of the case and in the best interests of the child concerned, considering the views of the Headteacher and any supporting evidence provided by the parent.

Reserve List

For admission into the intake years (reception at infant and primary schools, year 3 at junior schools) the governors will keep a waiting list which we call a reserve list. If your child is refused a place at a school your child is automatically put on the reserve list, unless you have been offered a higher preference school. This list is in the order of the oversubscription criteria, as required by the School Admissions Code. This means that names can move down the list if someone moves into the area and is higher placed on the oversubscription criteria. The governors do not take account of the time you have been on the list.

For intake years the list is kept by the School Admissions Team until the end of August each year. After this the School Admissions Code requires that schools keep the reserve list until the end of the autumn term, you should contact the school for information about the reserve list.

If you wish the school to add your child to the reserve list you must let the school know. Schools will clear the reserve list at the end of each school year, if you wish your child to remain on the list you must let the school know. If your circumstances change you must let the school know so that they can rank the list accurately and allocate places in accordance

with the oversubscription criteria to comply with the School Admissions Code. The governors do not take account of the time you have been on the list.

Appeals

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code.

Appellants should contact The School Admissions Team, Lincolnshire County Council for information on how to appeal. Information about the appeals process can be found on the LCC website:

<https://www.lincolnshire.gov.uk/school-admissions/appeal-school-place>

Midyear Admissions

The governors will accept admissions into other year groups unless this would cause an infant class to be unlawfully large or prejudice to the provision of efficient education or the efficient use of resources. If there are more applications than places then the oversubscription criteria will be used to decide who should be offered the place. If there are no places then you will be told of the independent appeal system. Parents can apply online at www.lincolnshire.gov.uk/schooladmissions

Fair Access

Local Authorities are required to have Fair Access Protocols in order to make sure that unplaced children who live in the home local authority, especially the most vulnerable, are offered a place at a suitable school as quickly as possible. This includes admitting children above the published admissions number to schools that are already full.

Children of UK Service Personnel (UK Armed Forces)

In order to meet the government's military covenant aimed at helping UK service personnel, and Crown Servants returning from abroad we have adopted the following arrangements.

For families of service personnel with a confirmed posting to the area, or crown servants returning to live in the area from overseas, the Governors will:

- Process an application in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address. This address will be used when considering the application against the school's oversubscription criteria.
- Accept a Unit postal address or quartering area address for admissions purposes for a service child.

The Governors will not refuse a service child a place because the family does not

currently live in the area.

For late co-ordinated applications and midyear applications supported by the appropriate military documentation we will aim to remove any disadvantage to UK service personnel (UK Armed Forces). The school's Governors will consider whether:

- An application from that address would normally succeed in an oversubscribed year.
- There is any child on the reserve list with higher priority under the oversubscription criteria. This is because we must only allocate places based on the criteria and must not admit a Services child ahead of another child with higher priority under the criteria.
- The prejudice from admitting an extra child would be excessive.

The Governors have discretion to admit above the admission number in these circumstances if they wish, but are not obliged to do so.

We will need the notice of posting or official government letter and posting address before we can consider an application under these arrangements. We allocate a school as soon as possible by applying the policies and practices that we normally follow.

Fraudulent or Misleading Applications

As an admission authority we have the right to investigate any concerns we may have about your application and to withdraw the offer of a place if we consider there is evidence that you have made a fraudulent claim or provided misleading information, for example a false address was given which denied a place to a child with a stronger claim.

We reserve the right to check any address and other information provided so we can apply the oversubscription criteria accurately and fairly.

Admission of Children outside their Normal Age Group

Parents may seek a place for their child outside their normal age group, for example if the child is gifted and talented, or has experienced problems such as ill health. Parents wishing to make these requests must contact their home local authority for guidance on the procedure to follow.

It is important for parents to note that they will have the opportunity and responsibility to provide whatever evidence they wish to support their request.

Decisions will be made on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of:

- the parent's views;
- any available information about the child's academic, social and emotional

development;

- where relevant, the child's medical history and the views of a medical professional;
- whether the child has previously been educated out of their normal age group;
- any evidence that the child may naturally have fallen into a lower age group if it were not for being born prematurely;
- the views of the head teacher.

Notes

Home address:

By home we mean the address where the child lives for the majority of term time with a parent as defined in section 576 of the Education Act 1996 who has parental responsibility for the child as defined in the Children Act 1989. Where a child lives normally during the school week with more than one parent at different addresses, the home address for the purposes of school admissions will be the one where the child spends the majority of term time. If a parent can show that their child spends an equal amount of time at both addresses during school term time, they can choose which address to use on the application. If a parent has more than one home, we will take as the home address the address where the parent and child normally live for the majority of the school term time.

We do not take into an account an intention to move.

Sibling:

'Sibling' means a natural brother or sister, a half brother or sister, a legally adopted brother or sister or half-brother or sister, a step brother or sister or other child living in the same household as part of the same family who, in any of these cases, will be living at the same address at the date of their application for a place.
