Wednesday: Roast Chicken or Quorn Fillet with Stuffing, Yorkshire Pudding, Roast Potatoes, Carrots, Green Beans & Gravy

Thursday: Beef or Quorn Bolognese with Spaghetti & Garlic Bread

Friday: Fish Fingers or Veggie Nuggets with Chips & Peas

This Week's News -

The Nursery children and staff were lucky enough to witness the chicks hatching this week. The timing, this year, was perfect! In the past the children have come into school to see that the chicks have already emerged from their shells. We now have 5 chicks, they are doing very well and are being enjoyed by everyone.

This term we have received a cheque for £3000 from the PA. As always, this was very greatly received by the school. After much discussion and thought the money has been spent on maths and science resources for the whole school. An exciting and imaginative CSI Maths day for all pupils and a visit from a sporting star who will be spending the day in school have also been planned. There will be an assembly and the children will take part in a sporting activity, led by the sporting star. Children are invited to come to school dressed in active wear. There will be no charge for this event. I would like to say thank you to all of the members of the PA and to everyone who supports their fundraising events. The money raised enables us to provide exciting and enriching learning opportunities for all of the children, from Nursery through to Year 2. Please find attached the latest PA newsletter, which has details of future events. Your continued support is much appreciated.

We had the first of our school trips yesterday, the Reception classes visited Hanningfield Reservoir. Thankfully, the weather was much improved from earlier in the week, which made for a pleasant day for everyone. Thank you to all of the parent helpers who accompanied them on their trip.

To celebrate the upcoming Royal Wedding we will be providing a street party themed lunch for the children. This will take place on Friday 18th May, if the weather is pleasant enough we will be having this on the playground during the normal lunch break. Children will have party food, such as, cocktail sausages, sausage rolls, sandwiches and cake. Vegetarian options will be available. This meal does not need to be pre-booked, choices can be made on the day.

Every child should have received a letter today outlining results of the recent consultation. If you require another copy, these are available from Mrs Reader in the main office.
