This Week's News:

Reminder - Reception parents are invited to come in and share their child's learning journey. Please go to your child's classroom at 2.40pm on Tuesday 22nd January.

Clubs - Club letter responses were sent out today and clubs will start next week. Due to the high number of children requesting places in certain clubs, Mrs Bennett and Mrs Glanville have volunteered to put on additional clubs to ensure every child was provided the opportunity to attend the club they chose.

Term dates 2019-2020 - The term dates for 2019-2020 have been agreed and can be found linked to this week's newsletter and on the school's website. Paper copies will also be available from the school's main office. As with previous years, both the junior and infant school have worked together to ensure that our dates align.

Reminder - Essex County Council have announced that it is considering closing up to 25 of its libraries, Hadleigh Library is possibly one of them. We have been advised that both Heart Felt Balloons and Hadleigh Old Fire Station have petitions available for people to sign if they wish. I personally feel that the closure of our local library would be a great loss to the community. There is a 12 week consultation period between 29th November 2018 and 20th February 2019, hopefully if there is a significant number of signatures on the petitions and enough people use the library during the consultation period, the community may be able to convince Essex County Council to reconsider the closure.

Absences - To make the process of reporting pupil absences easier we have created a new email address. If you need to report your child as absent, please send an email to absences@hadleigh-inf.essex.sch.uk. Please include your child's name, class and a brief description of the reason for the absence. The absence answerphone will still be available for you to leave a message if you would prefer. The school's attendance policy is available on the school website or you can request a paper copy from the school office.

After School Club Phone - I have been made aware of a few issues surrounding communication using the after school club's phone. This week we have changed our phone provider which will allow for improvements in communication between the school and families. . The phone number will remain the same. If you would like to change any arrangements linked to your child's after school provision please text or call **07393584126**. I would like to thank the parents who communicate changes with the club through this manner.
