This Week's News -

Thursday 17th May is Census Day, the number of children choosing to have a school lunch determines the funding received by the school. It would be appreciated if children were encouraged to choose to have school dinner next Thursday and not bring in a home packed lunch. The lunch will be fish or Quorn dippers & chips, jacket potatoes will also be available with a choice of toppings. Thank you for your support with this matter.

We will be celebrating the Royal Wedding on Friday with a party themed lunch. Hopefully, the weather will stay pleasant enough for this to take place out on the playground. This lunch does not have to be pre-ordered. Please note that there will be no jacket potato option available on this day.

Thank you to those of you that have already returned the Sports Day Picnic Lunch slip. If you have yet to return your child's slip, we would ask that these are all returned by Friday 18th May.

All classes had their photos taken yesterday. As soon as these are available we will send home the proofs and order details.

I am very pleased to announce that one of our Year 1 and 2 Gymnastics Teams won the Key Steps competition again this year! I would like to congratulate all of the children who were involved in the competition . Both of our teams walked away with medals!! I would like to thank all of the adults in school who have worked with the children to teach them the routines and all the parents for their support on the day. A fantastic achievement which has continued our tradition of excellence in Gymnastics.
