27th November 2020

Dear Parents,

As we head into a time of year filled with excitement and fun for many, as a school we also recognise that this year has been difficult for lots of families. We have therefore welcomed the opportunity to be involved with the collection of food hampers to support those families for whom this Christmas may be more of a struggle.

In order that we can adhere with current guidelines surrounding Covid-19, whilst still supporting this worthy cause, donated items will be placed into a 'quarantine box' before being assembled into a hamper for donation to the collection point at St Mawes Bakery on Friday 10th December. We therefore ask that items are brought into school on or before Monday 6th December.

Items requested are as follows:

Tinned meat, potatoes, vegetables and fruit

Cranberry sauce

Gravy granules

Stuffing

Custard

Christmas pudding

Mince pies

Box of chocolates

Packet of biscuits

Nibbles (peanuts or similar)

Christmas cake/ chocolate log/ similar

Soft drink (plastic bottle)

It would be wonderful if families could help us to contribute to this worthwhile cause. You may choose to donate a completed box or just one item from the list. Any and all donations would be welcomed.

Many thanks,

Adele Connell

Class 2 Teacher
