

Dear Parents and Pupils,

We wanted to share with you a "hello" from Miss Connell. She will be joining us in September to cover class two in the Autumn term. She is an experienced and skilled teacher who has taught in mixed aged settings before. We are delighted she will be joining us and I'm sure she will be an excellent addition to our team and community. Here is a message for the children:

Hello everyone, Miss Connell here. I am so excited to be joining your school in September and am really looking forward to meeting all of you and getting to know you.

I have been teaching for 8 years now and have taught all the different year groups in that time, but my current class are Year 3 and Year 4. We have had lots of fun this year and I expect that more fun awaits at St Mawes. My favourite subjects and things to do at school are reading, science and Forest School.

When I am not at school, I enjoy walking my dog and being outside in the garden. I look forward to finding out all your interests.

See you all in September!

Further information about September will be with you soon.

Many thanks

Ms Praed
