★ Star of the week

Our stars of the week for September and October have been...

Amelie for being brave

Morgan - great problem solving in maths.

Grace for following our **Golden Rules**.

Lottie C for superb column addition.

OLIVIA for *always* trying her best.

Jack C for taking an active role in class discussions.

Dylan M for *amazing* effort in phonics.

Dylan G for writing an excellent Greek Myth.

Jake for *super* writing of instructions.

Lottie M for all round GREAT effort.

Well done to all of our

Stars

Class 1 have had an amazing start to our term. We have written some beautiful "Who am I?" poems and instructions on making **MAGICAL AUTUMN POTIONS!** We have been learning about our senses which meant trying lots of different foods.

Battle Of the Band Winners

Class 2 have enjoyed learning about the myths and legends of Ancient Greece this half term. They have explored different myths and written their own versions full of wonderful beasts. We have also looked at and learned about Greek vases, painting our own designs. We are very excited to be creating a vase from clay soon as well as beginning to learn about Greek theatre and life during Ancient Greek times. Who knew history was so fun!

Attendance – This half term attendance is 97.4% which is a 2% improvement on last year.

Dates

Poppies on sale 2nd November
Parent Consultations 4th November
Nasal Flu 17th November
