Dear Parents,

Class Two children will be taking part in Relationships and Sex Education lessons during the week beginning Monday 7th December. In line with National Curriculum expectations, Year 3 and 4 will be looking at the differences between the male and female bodies and how a baby is born. Year 5 and 6 will be looking at the changes that happen during puberty and how a baby is made.

Should you have any questions, or wish to discuss the programme of learning further, do not hesitate to get in touch via telephone or email.

Yours Sincerely,

Adele Connell

Class Teacher
