Star of
the week

Class 1 has enjoyed making clay animals as part of our animal topic. This was a great excuse to get very messy too! We also made animals using boxes and bottles – a good way to use up the recycling!

The children drew their own animals pictures based on the works of Henri Rousseau.

We have made a start on our new murals and the children are very excited to be painting an image of themselves. A big thank you to the Roseland Festival for their donation to help us with this part of our project.

Diary Dates

8th July - Last Sailing Lesson

22nd - Last Day of Term

Class 2 have been busy with rehearsals for our end of term play. We will be recording Goldilocks on Trial and will send parents out a link or, if requested, a cd. We cant wait for you to see it!!

Year Six would like to thank the St Mawes Hotel for hosting their end of year celebration day in "The Hidden Cinema". The children thoroughly enjoyed the popcorn, juice and pizza, reclining their chairs to relax and enjoy the film. All the children felt like special guests and have a memory to treasure as we say a fond farewell to them on their transition to the Roseland Academy.
