

Primary Sports and Education Home Learning pack - KS1

Summer Term Week 4 (w/c 04.05.20)

With the schools now closed, we are unfortunately unable to continue our normal Primary Sports and Education school sessions during curriculum time. Therefore, to encourage children to still go outdoors safely and experience Sports we have put together a pack.

Inside includes some **Multi-Sports** activities as well as some sport specific games also. All these games are cross curricular and will need to use their **English, Maths, Science, Art skills** as well as many more!

We are frequently posting new ideas and information on our Facebook and website if you need more inspiration for activities. If you enjoy doing these activities, please share your feedback and experiences with us - we'd love to hear from you.

Please stay safe during these activities and adult supervision is always advised.

We look forward to catching up with the children upon return to the school.

Best Regards,

Marc Troman and Primary Sports and Education Staff
