To Parents/Carers of Children in the Communication Centre

Dear parent/carers,

As you are aware for the past year we have been going horse riding thanks to a generous donation from some local businesses. However, the money raised will only last until the end of this half term. The children really benefit from this experience; they have all grown in confidence and developed their self esteem.

The school would like to continue the activity but, as you will appreciate, funding is not available from the school's budget. In order to involve you in finding a solution, we are suggesting three possible options.

Please tick one :

1. Parents/carers donate £10 a week so we can go every week.
2. Parents/carers donate £5 a week and we go riding every 2 weeks.
3. Not go riding in the future.

If you have any further ideas about how we can continue to support this activity please contact myself or Mrs Fabian.

Thank you for your continued support.
