

Dinnington First School

Dear Parents

It was lovely to see all of the children again and to welcome our new starters and their families. All of the children have settled into school routine very well, and made a really good start to the new academic year.

Please remember that there is a Consultation event for our proposed new school on Friday 8th September between 2:00pm and 6:30pm. The event will give you the opportunity to view the proposed plans and talk to various members of the planning team.

Arrival Time

Regular attendance and prompt starts to the day help children fulfil their potential and achieve success in later life.

In order to encourage all children to arrive on time we have monthly arrival time targets. Those children achieving the monthly target will be given a wrist band congratulating them on this achievement.

The targets for the next two months are;

September	17
October	14
