MESSAGE FROM MRS HARDY

Dear Parents and Carers,

It is great to be writing this newsletter with the partial school closure coming to an end, I can't tell you how happy the staff and I are at the prospect of having all the pupils back on the 8th March. I am very much looking forward to meeting you all. I will be out on the playground at the start of the day on Monday 8th so please feel free to come and say hello. Mrs Koiston, the school SENCO, will also be out on the playground on Monday, again please feel free to introduce yourself.

On Thursday of last week I sent out a letter with the information you need for your child's return to school on the 8th. Please let myself or the school office know if you have any concerns or queries regarding this information.

Supporting pupils to reintegrate back into the routine of daily school life will be key for a smooth transition. The teachers have designed a curriculum for the first few weeks back that takes into account the importance of understanding emotions and being part of a school community once again.

Squirrel, Fox and Owl class will be looking at the different emotions or feelings we may be experiencing through the book '**The Colour Monster**'.

We recognise that managing home schooling, as well as work commitments has been no mean feat, and the staff and I want to thank you for your commitment. We know that families have faced, and are continuing to face their own challenges and want to reassure you that we are here to help. Please get in touch via your child's class teacher or the school office and we will do our best to support you in any way we can.

Please remember the school office is open between 8:30am and 4:00pm Mon-Fri should you need any help or support.

Mrs Hardy
