Dear Parents,

Your child has spent the day in their new class today as part of our transition programme for next year. They have had a lovely day bonding with their new class mates and beginning to think about the next academic year. We are very proud of how the children have coped with this. However, we are aware that some children find transition tricky and we will continue to support them with this until the end of term. Although the children will be in two classes, they will continue to work and play closely together throughout the next academic year. This is very much in keeping with our Working with Others ethos. If you have any concerns about this please see me or your child's current teacher.

Your child will be in Owl Class. The class teacher is Mrs Turner who will be supported by Mrs Sheward and the teaching assistant will be Miss Fenwick. There will be an opportunity for you to meet the Owl Class staff on Wednesday 11<sup>th</sup> July at 3.15. Please come to Owl Class at that time.

Yours Sincerely

Mrs Zoe Gordon, Headteacher
