

Use and Impact of Sports Premium Grant to Lancastrian Infant School for 2019-20

Allocation of funds Approx. £16,700	Action	Cost	Success criteria	Sustainability	Impact (Review in July)
To continue to increase the subject knowledge and confidence of teachers in delivering high quality PE lessons	Sports coach from SCS for two classes a week.	£1500	Develop teacher confidence and expertise in teaching PE and sports.	Teachers have increased knowledge and skills to deliver high quality sessions.	Prior to March 2020, 2/3 classes had input from PE coach. High quality that supported CPD for staff and experiences for children.
For all children to access confidence building through karate lessons	To buy in services of karate instructor.	£1500	Every pupil in the school to access karate and to build confidence in their skills and ability.	Pupils have increased confidence that they can apply in a number of situations- some pupils go on to attend karate after school.	Prior to March 2020, 2/3 classes had longer more sustained time for this to embed. High quality provision. Some reluctant pupils were joining in by the end due to more sessions.
To support pupils to increase their 'physical literacy'. All pupils are involved in Active 8 every day- this can be a combination of 'wake and shake', 'daily run', playtime routine, skills building (stacking cups, balancing, throwing, catching). This is in addition to PE offer.	Staff meeting time to plan Monitor of types of activity Celebrate with pupils	£1000	To further develop the resources available for indoor PE games sessions.	Pupils have access to good quality equipment both inside and outdoors.	Prior to March 2020, short bursts of activity had become more consistent. During the lockdown this was also a focus with daily active sessions of yoga, activity, bike riding etc.
To plan and develop sports day	Plan an exciting and fun range of activities.	£100	For all pupils to be able to access this as a high quality event.	Pupils gain confidence when working together and competitively and can apply in a variety of settings.	Didn't happen in 2020- due to Covid 19

For all children to access Forest Schools to develop their confidence, risk taking and outdoor learning experiences. Develop teacher confidence with outside learning. Plan whole school forest school days.	Plan for all pupils to access Forest School. Plan links with Forest School and curriculum.	£6000	To develop the confidence and self-esteem of children through physical and outdoor learning activities.	Pupils use skills that they have learnt in school and out of school. They are more confident when trying new things. They become more adept risk takers and confident in the outside environment.	Prior to March 2020, 2/3 classes took part in Forest School sessions. There was huge benefit to this. Space was further developed.
For children to be offered the opportunity of attending after school activities and lunchtime activities that will develop their collaboration and physical skills.	South Coast Sports coaches to be used.	£3000	Children will have become more confident at playtimes through play and collaboration. Improved behaviour at lunchtime.	More focused games and activities during playtime with children being more active. Midday meal supervisors use as CPD and continue with provision.	Prior to March 2020 this was successful- when children being taught in bubbles this was harder to manage.

There were unused funds this year due to the partial closure of school and lockdown 2020. Some of these funds were used to replace artificial turf in the Early Years Learning Garden (£3600). The rest will be carried forward to the next academic year and used for enrichment and enhanced access to sport, fitness and active awareness.
