January 2021

MESSAGE FROM MRS HARDY

Dear Parents and Carers,

Welcome to the first Newsletter of 2021, and my first newsletter to you all as Headteacher.

It has been a different start to my Headship than the one I had imagined, with the announcement last Monday that school would be closed for a majority of pupils starting the next day. Thank you for the calm manner in which you all dealt with the sudden announcement, and for your patience in bearing with us whilst we sorted out the logistics of which pupils would be in and which wouldn't. That said, it has been great getting to know the staff and some of the pupils, and of course some of you. Let's hope the day when all the pupils can return safely to school is not too far away.

The teachers at Lancastrian are working incredibly hard to provide all pupils with high quality home learning. I look forward to hearing about how the children are getting on. I know Miss Lazell has asked for photos from our younger children of what they have been doing at home, and she has said she will share these with me.

The current situation aside, it has been great to see some of the pupils back in school. Their laughter and general noise do go some way to making it feel like a school.

Please keep a check on emails from the school and the school website for updates. Home learning for all pupils can be found on the website under their class page. If your child has not yet accessed the work please phone the school for support, it is important that all pupils are completing the school work set.

Please remember the school office is open between 8:30am and 4:00pm Mon-Fri should you need any help or support.

Thank you for your kind comments, they do support the hard work teachers are putting in and give us all a lift at these difficult times.

Please stay safe.

Mrs Hardy
