MESSAGE FROM MRS HARDY

Dear Parents and Carers,

We are almost at the end of what has been a very strange term, and I am sure for many of you, supporting your child's education at home must be becoming strangely normal! I do not underestimate how difficult and challenging it can be to support your child in their learning at home. Please know that myself, the teachers and all the staff are grateful for the commitment so many of you have shown. I am really enjoying seeing the photographs that some of you are sending to your child's class teacher of your children learning at home. I look forward to when I will be able to meet the children in school.

You are probably aware that the government have given a possible date of 8th March for pupils to return to school. There will be an update to the nation on 22nd February which I believe will confirm whether this will be the date for pupils to return to school. As soon as this is confirmed, I will be in touch to share our plans with you for getting children back in to school.

Please remember that the school is here to help and support its community. If you have any worries or concerns regarding your child, please do not hesitate to contact the school, I am always happy to talk to anyone and offer what help and support I can at this tricky time.

It is the half term holiday next week so there won't be any work set for your children, I think pupils and parents all deserve a break.

I look forward to seeing all the children when school re-opens, hopefully, at some point next term.

Please remember the school office is open between 8:30am and 4:00pm Mon-Fri should you need any help or support.

Mrs Hardy
Headteacher

DATES TO REMEMBER

Half Term: Monday 15th February – School closed to all children
Inset Day: Monday 22nd February – School closed to all children
