MESSAGE FROM MRS HARDY

Dear Parents and Carers,

What a great return to school it has been for our pupils! The school is once again filled with the sounds of children and it is a delight to hear. The school had 100% attendance last week which is great. Thank you to all of you.

I am enjoying getting into classes and meeting the children. They have all made me feel at home.

Fox class enjoyed the return to Forest School this week. Jen Keil, a trained Forest School leader, is going to be working with our children in the Forest School over the Summer term.

This is a short term for many of our pupils with the Easter break just around the corner. This term will finish on Thursday 1st April and pupils will return on Mon 19th April.

Please remember to sign up with your child's class teacher for our remote parents evening, next week.

We will be having a fun science day on Monday 29th March titled 'Colour Chaos.' A letter will be sent out on Monday with further details.

It was lovely to meet many of you on the playground last week. I am always happy to meet with parents to discuss your child, please just let the school office know if myself or any of the staff can be of support during what continues to be a challenging time.

I have included some photos of our amazing children enjoying their return to Forest School this week.

Have a good weekend!

Mrs Hardy
